John- Why do you need an answer on this question by the end of the day today? The trustee has not instructed me to file an objection to the MPT claim and do not think she will but she doesn't have to make any final decisions about it at this time. I think I have stated in the past that she has no issue with anyone else who chooses to object to the MPT claim or others at this time. Thanks.

David,

Our understanding is that Trustee Lemeh does not intend to object to MPT's proof of claim in the Bucks County Case. Can you please confirm that this is accurate by the end of the day today? Thank you.

John
